// A BUCKET LIST MUST

There is something captivating about the lands down under and the only way to understand that sentiment is to travel to Australia and New Zealand. Whenever I go, I am intrigued by remarkable flora and fauna, while also enjoying the distinctive laid-back lifestyles.

Natural beauty is evident wherever you go. Flying over The Remarkables mountain range to reach Queenstown on New Zealand's South Island is an incredible sight, while the waterfalls in the surrounding region and beauty of Milford Sound are simply breath-taking.

From strolling along endless beaches on the west coast of Tasmania to visiting Sydney's iconic Bondi Beach where its streets are home to its famed food, fashion and surfers; no trip to Australia would be complete without seeing South Australia's verdant vineyards and sampling its wines while overlooking inspiring landscapes.

I love to visit Uluru, one of the most spiritual spots on the planet. Unless you're standing before it, you cannot understand the energizing feeling you receive from it. It truly is other-worldly and we take great pleasure in bringing you to it on a journey without worry that will create memories you'll cherish forever.

Join us on a breath-taking journey and discover for yourself what makes this part of the world so exceptional. //

Sydney is a city that has some of the world's most iconic architecture, such as Sydney Harbour Bridge and Sydney Tower. However, there is one structure that stands out above the rest and that is the Sydney Opera House.

To see it in person is even more striking than imaginable, its shell-like domes often reflecting a range of patterns in impressive light displays during the evening.

And while its exterior is impressive, Trafalgar ensures that you also see its remarkable interior. Our Local Specialist will take you on an exclusive guided tour within what has been deemed one of the 'Eighth Wonders of the World'. Along this fascinating journey of discovery, they'll lead you through a variety of venues and reveal the structural secrets behind the magnificent sails of the Sydney Opera House.

KIA ORA... WELCOME TO THE LAND OF THE LONG WHITE CLOUD

New Zealand is a special place, not only for its incredible natural beauty but also for its warm and friendly people, who go out of their way to welcome visitors to their great nation. We'll lead you on a journey where you'll become immersed in experiences that showcase this magnificent country's pure essence.

You'll be involved in the heart-pounding wero challenge. Performed by Maori warriors, it forms part of the Powhiri welcoming ceremony. A variety of energetic dance displays will be followed by a touching hongi greeting before enjoying a traditional hangi feast at Tamaki Family Marae in Rotorua.

You'll also get to wander around Whakarewarewa, where for more than 200 years the Tuhourangi/Ngati tribe has invited visitors to discover age-old traditions and admire striking geothermal attractions in a land where nature is as distinctive as the people you'll meet.

MY FAVORITE MEAL

Being typically Aussie, I'm going to say, vegemite on toast with cheese. For those who don't know what this deliciously rich spread is; it's incredible, just come and try it.

MY FAVORITE THING TO DO TO RELAX

Living in Australia gives me access to some of the most beautiful settings to practice yoga and meditation, which allows me to achieve even greater balance and calmness. For me, sharing these amazing locations with our guests and watching them unwind fills me with a great sense of satisfaction.

MARK HOCKLEY

Travel Director

MY TOP TRAVEL TIP

Everyone has access to devices that capture images; phones, tablets or even cameras! Wherever you are, remember to take photographs because when you look back on them, memories of your wonderful vacation will come flooding back. I always remind our guests to take photos and share them on social media so that they can make their friends back home jealous of all of the fantastic places they've been.

MY FAVORITE MEAL

I love fresh fish and scallops that I've caught myself. I live in a land where I can quite easily leave my house to reach a body of water to cast my fishing rod and enjoy an incredible meal in no time.

DANNY STAINES

Coach Driver

18 years with Trafalgar

WHAT I LOVE MOST ABOUT MY JOB

What I truly enjoy most is hearing the 'wows' from our guests as they see spectacular sights for the very first time. I always make sure to slow down as we approach them so that I can hear their gasps even louder.

MY TOP TRAVEL TIP

Explore with a smile and an open mind. Guests who travel to Australia have so often come a very long way to get here and I always advise them to take the time to soak up the beauty and culture of all of the places that we visit as they really are so unique.

Taste

AN OUTBACK BARBEQUE

We'll treat you to an award-winning barbeque in the middle of the Australian outback. Deep within Uluru-Kata Tjuta National Park, home to the mighty monolith famed for the many shade of colors it turns as the sun falls upon its sandstone surface, you'll indulge in a delicious dining experience with an incredible backdrop.

In the afterglow of the setting sun, nature serves as the ideal location for an iconic Australian feast that is filled with flavor. Chicken, lamb, prawns, sausages and steak are all grilled to perfection, while there's also the chance to sample some local favorites, such as kangaroo and crocodile, both of which are exceptionally exquisite and surprisingly tasty.

Relax in the company of your fellow travel companions and newfound friends as you drink in an amazing atmosphere while sipping on some bubbles. Savor this privileged moment as you feel the undeniable aura of Uluru and gaze up towards a star-filled night sky.

TASMANIAN TEMPTATIONS

Let us take you to one of the world's most up-and-coming culinary destinations, Tasmania.

You'll enjoy a journey filled with flavor as you visit Salamanca Market; its colorful stalls tempting you in, while Hobart's picturesque waterfront is the perfect backdrop for a delicious day out.

Here you will discover fresh oysters, sizzling sausages and Tasmania's famous scallop pie, among a host of other flavorful offerings. From its mouth-watering food to hand-made arts and crafts, you'll also get to meet the friendly locals who make this market so distinctive.

Your journey won't just stop in Hobart; we'll take you around this small island to sample aged whiskeys, fine wines and sociable dinners with your fellow travelers.

Trip: Perfect Tasmania

"We were provided with a good flavor of Australia. The trip gave us an excellent view of the culture and the diversity of the country."

REMARKABLY BEAUTIFUL

Queenstown is 'The Adventure Capital of the World'. Whichever time you visit, you'll find that it is a destination filled with unforgettable sights and experiences. It is, after all, the home of the world's very first bungee jump.

We'll take you to this incredibly beautiful town set on the shores of Lake Wakatipu where a dinner with your travel companions overlooking the water's glassy reflection is complemented by views towards The Remarkables mountain range; a truly exceptional setting.

Exciting excursions to the surrounding region offer some of the most incredible insights into the area's fascinating history and we'll take you to experience them. Arrowtown is an historic gold mining town filled with old wooden buildings straight from an Old Western movie, while a boat trip across the waters at the fiord of Milford Sound places you in the middle of Mother Nature's magnificent beauty. Queenstown is one of the world's highlights and a place not to be missed.

Get to know your traveling companions tonight at a Welcome Reception and dinner. **(WR, DW) Hotel: Grand Chancellor**
- 2 Hobart Free Time and Sightseeing** You'll have free time explore the myriad market stalls of Salamanca Market, and wander through its historic sandstone warehouses. This afternoon *your choice of sightseeing*: join a walking tour with a local guide for an insight into Hobart's history, people and places; explore the Mawson's Huts Replica Museum or a guided walk to experience the alcohol history of the city. This evening is free to dine at one of the local restaurants. **(BB)**
- 3 Hobart > Strahan** Join your Travel Director this morning for a stroll through lush rainforest to the tiered falls of picturesque Russell Falls. Visit Te Papa, Museum of New Zealand, to gain fascinating insight into New Zealand's unique history. Take a ride on Wellington's famous Cable Car from Lambton Quay all the way up to Kelburn, ambling back down to the city through the picturesque Botanic Garden. Boho chic in Cuba Street will appeal to the inner hipster in you, visit one of the markets or perhaps head to Courtenay Place to dine at one of Welly's tucked-away bars or quirky cafés. **(BB)**

3 Wellington ► Taupo

Drive along the rugged Kapiti Coast – winding past sun-kissed beaches, lush forests and the dairy farms of the Manawatu to catch a glimpse of the three active volcanic peaks of Tongariro National Park, rising starkly from the surrounding plateau of tussock and near-desert. From the volatile earth's crust came Lake Taupo, our next stop and New Zealand's largest lake which now lies peaceful within the caldera of a volcano. Before arriving at our hotel, we'll stop in to view the raging Huka Falls and pass the Wairakei Geothermal Power Station. **(BB, DW)** Hotel: Hilton

4 Taupo ► Rotorua (2 nights)

A leisurely start to our day could see you catch the big one if you try your hand at trout fishing or enjoy a ramble around the pretty lakeside town of Taupo before heading to nearby Rotorua. Here we will delve into the fascinating culture and rituals of the Maori people against the backdrop of some of New Zealand's most dramatic volcanic landscapes – sizzling geysers, bubbling mud pools and colorful rocks alongside which the local Maori people have lived for centuries. We enjoy unique insights into local customs like the Hongi greeting, as well as learn some traditional words, before enjoying a **Be My Guest** traditional Maori Hangi meal cooked in the ground using geothermal steam. **(BB, BG)** Hotel: Regent of Rotorua

5 Rotorua Sightseeing

Meet New Zealand's woolly flock at the highly entertaining Agrodome Farm Show, where you will witness the art of sheep shearing, sheepdog trials, cow milking, bottle feeding of lambs and even a sheep auction. Come face-to-face with New Zealand's extraordinarily unique wildlife at the Rainbow Springs Nature Park and explore the natural heritage of these Pacific islands, even

spotting a shy kiwi or two if you're lucky. Our day concludes with a special visit to Whakarewarewa Living Village where we will enjoy in-depth insights into the lives of the Maori people and the special bond they share with this land. **(BB)**

6 Rotorua ► Coromandel

The iridescent cave walls of Waitomo Caves are our first stop today as we join a **Local Specialist** to navigate the dark depths that provide sanctuary to millions of glow worms. See the beauty of Footwhistle Cave and dramatic cave formations before heading back to 'Living Earth' and through the rolling farmlands of Waikato to Coromandel and Puka Park Resort. Set deep within the lush native bush on the slopes of Mount Puanui, our sanctuary tonight is in romantic Tree Hut Chalets. **(BB, DW)** Hotel: Grand Mercure Puka Park Resort

7 Coromandel ► Auckland

A lazy start to our day sees us travel to the City of Sails. Ease into laid-back Auckland vibes after a sightseeing tour of the city, with your afternoon at leisure to explore on your own terms. 8 Auckland ► Bay of Islands (2 nights)

The golden sands of Orewa along the scenic Hibiscus Coast is our first stop today, before continuing to the lush native forest of Waipoua, home to the largest Kauri tree in existence, Tane Mahuta, which for over 2,000 years has towered over the forest floor. Venturing deep into the forest, a **Local Specialist** Maori guide explains the heritage and fascinating legends of these mighty trees. Bidding farewell to The Lord of the Forest and the Kauri giants before him, we head to our waterfront resort in the subtropical Bay of Islands and enjoy a delicious dinner together. **(BB, DW)** Hotel: Copthorne Resort

Wake up in paradise. The picture-perfect setting of golden beaches, azure waters and historic villages is ours to explore today as we set off by ferry across the harbor to Russell, New Zealand's first permanent European settlement and sea port where we will enjoy a guided tour with a **Local Specialist** into this town's fascinating settler and seafaring heritage. We enjoy the rest of the day at leisure meandering through the town's beautiful art galleries and quaint streets, going on one of the many walking tours, or simply relaxing in historic surrounds. **(BB)**

10 Bay of Islands ► Auckland

The wind in our hair, we set forth across the Bay of Islands, cruising to the Hole in the Rock where Maori legend has it was the landing place of the canoe Tunui-a-rangi before it went to Ngunguru and Whangarei. We see historic Cape Brett along our exploration of some of the 165 islands in the bay, spending time in the pretty tourist town of Paihia to peruse the local craft shops, amble along the beachfront or just relax over a coffee with new friends. YOUR GUIDED VACATION BOOKING

Trafalgar Tours Of Canada Ltd is the 'Sales Company'; AAT Kings Tours Limited and AAT Kings Tours (Pty) Limited are the 'Operators'; collectively these companies are referred to as 'Trafalgar'.

Your agreement is with Trafalgar and a contract is formed when you make a reservation with us that we accept. Enrollment in and payment for a guided vacation shall constitute acceptance by the guest of the terms and conditions in this brochure. These cannot be varied except in writing by an officer of the Company.

The invalidity of any provisions herein shall not affect the validity of any other provisions. The agreement shall be construed as though the invalid provision was not contained herein and was replaced with an enforceable provision as similar as possible to the original provision.

Disclaimer Travel is personal and each individual's goals and experiences may differ. Trafalgar will not be bound by, or liable for, any description, photograph, representation or warranty made by or provided by any independent third party sales representative, Travel Agent, or other person or entity relating to any vacation offered by Trafalgar.

Departure Date The departure date is the date indicated on the Trafalgar confirmation.

Security Security is a major concern to all of us and the situation globally is constantly changing. Events around the world, coupled with the 'Travel Advisories' put out by various governments, may at times necessitate changes to the accommodations and itinerary or even trip cancellation. You must accept these risks involved in travel to any country that may experience security difficulties and accept responsibility for your own travel decisions.

WHAT'S INCLUDED IN THE GUIDED VACATION PRICE

Inter-city Travel By private motorcoach, trains and ferries (see itineraries).

Air Transportation Not included unless otherwise outlined in each itinerary price page panel.

Guided Vacation Air-conditioned luxury motorcoaches with redneering seats and onboard restroom facilities.

Toilets may be affected by higher altitude or extreme weather conditions such as freezing temperatures and for the comfort of those on board the motorcoach the toilets may have to be closed. In these circumstances additional rest breaks will be incorporated into the itinerary.

Hotel Accommodations Prices are per person, based on two persons sharing with private bath or shower. Triple rooms may be available on selected vacations in limited numbers. Triple occupancy is based on guests sharing one room with two beds. Triple occupancy may not be comfortable for three adults sharing. Rollaway/sofa beds may be used as a third bed in the same room.

Every effort has been made to reserve two-bed rooms; however, on some occasions, rooms with one double bed may be the only choice available. These rooms will be allocated to single travelers and couples first; other rooms may feature a single bed and rollaway bed, Murphy bed or sleeper sofa. A limited number of double rooms are available with our Shared Rooming service. Trafalgar shall not be responsible or liable for any claims or issues arising out of the shared rooming. Special room requests (adjacent, connecting or lower-floor rooms, as examples) must be made at time of booking. Special room requests are not guaranteed and are based on availability at time of check-in. Many hotels are 100% smoke-free, including all guest rooms, restaurants, lounges, meeting rooms and public spaces. Smoking in a non-smoking room may result in a fine. Substitute hotels may be used sometimes. We try

to use hotels of similar standard. Hotel Frequent Traveler program points are not earned with hotels on Trafalgar vacations.

Note hotel room sizes, standards, facilities and services provided may vary from country to country and region to region and are often local in style.

Free WiFi Internet Service Complimentary WiFi service is available in many Trafalgar hotel guestrooms and/or the public areas of most hotels. In most countries complimentary WiFi is also provided on-board the motorcoaches except in remote locations. The WiFi on the motorcoaches uses the cellular phone network and as a result the connection will be slower than standard broadband and at times may not be available. Audio and Video streaming is not available using motorcoach WiFi. Please note that it is not available when the main Trafalgar motorcoach is not being used, such as on transfer motorcoaches and other local services. For further information on which countries WiFi is offered in as well as daily data allowances please refer to the Trafalgar website www.trafalgar.com/wifi.

Travel Director Guided vacations are conducted in English by a professional Travel Director.

In the unlikely event that there are fifteen guests or less traveling on a departure, Trafalgar reserves the right to operate this departure on an individual basis with private transfers and individual arrangements. Please refer to the individual guided vacation. Itinerary extensions are operated on a locally hosted basis using regular English-speaking Local Host services.

Meals Meals are included as detailed on itineraries.

Sightseeing Experiences, entrance fees and an English-speaking Local Specialist (when required) are included as detailed in the itinerary pages.

Transfers Between airports, hotels, railway stations and piers are included as indicated on each guided vacation itinerary. There will be no refund for missed or unused transfers. If you did not purchase your flights from Trafalgar, you will need to provide your arrival and departure flight information to Trafalgar at the time of booking. It is your responsibility to update Trafalgar with any changes to your flight schedule to ensure that you receive your transfers. Failure to do so may result in missing these services and no refund shall be due for missed arrival transfers resulting from missing or outdated flight information.

Porterage Baggage handling of one suitcase per person, at each guided vacation hotel and porter service at airports for intra-air inclusive guided vacations, is included in the guided vacation price. Due to limited motorcoach capacity, a single bag is allowed with dimensions not exceeding 30"x18"x10" (76x46x25cm) and weight not exceeding 50 lbs. (23kg). Airlines may impose stricter weight and size limits for luggage and may also charge fees for checked baggage, including the first checked bag. Please check with your airline(s) directly for their most current baggage regulations and related fees. Trafalgar is not responsible for additional fees imposed by air carriers regarding baggage.

A charge of US\$6/CAD\$6 or local currency equivalent per traveling day will be collected by the Travel Director if a second piece of baggage is permitted to be carried, or if suitcase exceeds weight or size limits. This is not assurance that luggage in excess of limits on size, weight and number of pieces will be permitted on the motorcoach.

Carry-on/hand luggage is restricted to one piece per person, not exceeding 12"x11"x6" (30x28x14 cm) to fit under your motorcoach seat or in the small overhead compartment. Carry-on/hand luggage handling is the responsibility of each guest and must be taken on and off the motorcoach by you each day

of the guided vacation. **Carry-ons with telescopic handles and wheels will not fit in the overhead compartments or under seats and therefore, cannot be accepted as carry-on luggage.**

Trafalgar and Trafalgar's affiliated entities shall not be liable for loss or damage to baggage or any guest's belongings. Guests should immediately report lost items to the Travel Director who will assist in completing a lost property form that can be used for an insurance claim. Trafalgar cannot assist in locating lost items after the guest disembarks or completes the Trafalgar vacation.

Tips/Gratuities All tips/gratuities to your Motorcoach Driver, Local Host, Local Specialists and Travel Director are on a voluntary individual basis at the end of your vacation.

NOT INCLUDED IN GUIDED VACATION PRICE Any items and matters not referred to above, including, airfares to and from your destination, air-related taxes and fees (except where specified); additional fees charged by airlines such as checked and/or excess baggage, seat selections and any other services; passport and visa fees; insurances of all kinds; tips/gratuities to Travel Directors, Local Host, Local Specialists and Motorcoach Drivers; laundry; phone calls; minibar; beverages and meals not detailed in the itinerary; Optional Experiences; and all items of a personal nature. Additional taxes and surcharges may be collected by foreign governmental and non-governmental entities. The price does not cover costs and expenses, including your return home, if you leave the guided vacation whether of your own volition, our decision based on behavior that disrupts the trip, due to illness, action by any government or other reason. This list is illustrative and not a complete list of every item not included.

These discounts are not valid on all itineraries or departure dates; do not apply to optional extensions, airfares, government taxes and fees, air flight supplements, extra nights' accommodations, transfers or any cruise portion of a vacation. Passports, Visas and other Entry/Exit Requirements To enter and leave Australia and New Zealand, all guests including children must be in possession of a machine-readable passport and applicable visas. All guests including children must be in possession of a machine-readable passport valid for 6 months after their trip return date along with applicable visas. Some countries require multiple entry visas. Please refer to "Travel Essentials" section. Due to government imposed security/immigration measures, passport and emergency contact information is required for all guests prior to the release of travel documents.

It is the guest's sole responsibility to secure and/or pay for any and all visas, reciprocity fees, affidavits, immunizations, etc. that are required to be permitted entry into each destination. In some countries you may be subject to entry (reciprocity) fees and/or departure taxes/exit fees which will be collected at the airports upon entry/departure by local government authorities.

Please note that entry to any country may be refused even if the required information and travel documents are complete and, if this occurs, no refund is due.

For up-to-date detailed information on travel documents and visas, entry/exit taxes and further information on entry and exit requirements please check with your Travel Agent or local consular services. Obtaining and carrying these documents is your sole responsibility. **Trafalgar bears no responsibility for such information and will not be responsible for advising and/or obtaining required travel documentation for any guest, or for any delays, damages, and/or losses including missed portions of your vacation related to improper documentation.**

BOOKING CHANGES, CANCELLATIONS & REFUNDS

Booking Changes A fee of \$35 or more per person, per change plus any further cost we incur, will be charged for any revision or alteration made to a reservation after the booking is confirmed. Costs and charges may increase closer to the departure date that changes are made. We will try to make your requested change but it may not be possible.

A change of guided vacation date or itinerary within 45 days of departure date will be treated as a cancellation. Cancellation fees will apply except when the change is to an earlier departure date and the guided vacation price is equivalent or greater, in which case a \$35 (or more) per person amendment fee will be charged. You must also pay any charges imposed by airlines for any changes, including name and date changes. This can be up to 100% of the value of the ticket.

Names Changes A fee of \$50 per person will be charged for name changes or name corrections together with any airline penalties and other charges incurred.

CANCELLATIONS AND CANCELLATION FEES

Travel arrangements for any member of the party may be canceled at any time by written notice by the person who made the booking. Please note the following:

- If notice of cancellation is received by Trafalgar more than 45 days prior to the guided vacation departure date, deposit will be retained along with the Travel Protection payment.
- If full payment is not received 45 days prior to departure date, Trafalgar has the right to cancel your reservation. Trafalgar will not be responsible for lost reservations.
- Notice of cancellation must be made in writing directly to Trafalgar or through your Travel Agent. Please also refer to Trafalgar's Travel Protection.
- If a person in a party cancels and there is a room change caused by this cancellation (such as a Twin/Double to Single, or Triple to Twin/Double), charges for the new room type will be the responsibility of the remaining party.

The charges detailed in the Summary Information table will apply when notice of cancellation is given after the booking is confirmed.

- If a guest fails to join the guided vacation on the day of departure, cancellation fees will be 100% (unless the guest notifies us of the delay and joins the guided vacation later at their own expense).
- Cancellation fees as per the Summary Table apply to additional accommodations prior to and after the guided vacation or cruise reserved through Trafalgar and are additional to any cancellation fees or other charges that may be levied by your Travel Agent.
- Airline Flights/Tickets: After deposit has been received, any change prior to airline ticketing incurs a \$35 service fee per person or if after ticketing a \$75 service fee per person. This is in addition to any airline rate increase and any additional change fees imposed by the Airline. Some airlines including published fares booked by Trafalgar are non-changeable and non-refundable. See Air Cancellation Section.
- Trafalgar is not responsible for other travel arrangements that you or your party has made outside Trafalgar and which are affected by our cancellations.

If the reason for your cancellation is covered under your insurance, you may be able to reclaim these charges from your insurer. You or your Travel Agent are responsible to make the claim to your insurer.

Illness or Absence Early return expenses are the guest's responsibility. There is no refund for absence or early departure from a guided vacation, including but not limited to missed hotels, transfers, meals or sightseeing. Trafalgar urges you to purchase travel insurance to cover such circumstances. Trafalgar makes no representation or guarantees concerning reimbursement, scope of coverage, or other aspects of any travel insurance policy or claim.

AIR ARRANGEMENTS

Reservations/Ticketing When booking a guided vacation including flights, you will be required at the time of booking to provide us the full name as detailed on the passport, date of birth, passport number, date and place of issue and expiration date for each guest. Some airlines do not allow name corrections and/or itinerary changes. Such corrections and/or changes are subject to additional fees, schedule changes and/or complete loss of air reservation. Guests will be responsible for any penalties (up to 100% of the airfare) charged by the airlines for name corrections and itinerary changes. Prior to your booking and paying your air travel, all prices and itineraries are subject to change at any time. Once a deposit is received, the base airfare is guaranteed, although Air Taxes and Fuel Surcharges are subject to change until receipt of final payment. Upon receipt of final payment, the airfare, taxes, and fuel surcharges are final, regardless of future price fluctuations up or down.

Air Cancellation Cancellations incur a service fee of \$75 per person, reduced to \$35 if air ticket has not been issued prior to cancellation, plus any airline penalties. Airline imposed penalties may be up to 100% of the air ticket price. Published Fares, Priced Match Fares, Promo Fares and some other airlines booked are non-refundable.

Airline Availability Seats are limited in our contracted class of service and may not be available on every flight. Trafalgar does not hold block space on any airline and does not assure seat availability for every single guided vacation departure date.

Airline Seating Not all airlines offer pre-assigned seats. Some may charge for pre-assigned seats. Any

additional charge imposed by airlines will be at guests' expense. Where pre-assigned seats are not offered or different seats are desired, guests must contact airline(s) directly to arrange seating assignments. Seating is solely under the airline's control, as are itinerary changes due to flight delays and schedule changes. Trafalgar reserves the right to offer alternative schedules for itineraries affected by airline schedule changes and equipment. Flight delays, flight cancellation and schedule changes are the responsibility of the airline. Trafalgar will not be responsible or liable for such delays or rescheduling.

Airline Special Requests Seat assignment and special meal requests can be requested at time of booking. Trafalgar does not assure the request will be granted. Frequent Flyer miles can be accrued on most air carriers. Upgrades using mileage are not permitted. Many airlines do not automatically add frequent flyer numbers to records for flights booked and ticketed by Trafalgar. It is the guest's responsibility to request frequent flyer credit from the airline. Trafalgar shall not be responsible for matters concerning frequent flyer miles.

GENERAL INFORMATION & CONDITIONS

Guided Vacation Prices Are based on costs, charges, tariffs, rates, prices, taxes, levies, exchange rates and other considerations as of the production date of this brochure (see back cover). All are subject to change. No surcharges regarding cost or currency fluctuations will be made to the LAND only price once the deposit is received. No refund will be made on account of reduction of any of the above. If the total guided vacation price increases by more than 7%, guests will have the option to cancel the guided vacation within 7 days of notification of the surcharge without penalty. All prices are in Canadian Dollars unless specified.

Other Fees and Taxes Fees and taxes are subject to change without notice and will be confirmed at time of booking. Any additional fees charged by the airlines such as baggage handling, seat selections, and/or any other services are the sole responsibility of the guest(s). Additional air-related restrictions apply.

Guided Vacation Participation On all guided vacations children under 5 years of age are not eligible to travel. Children under 18 years of age must be accompanied by an adult, who will be responsible for their welfare and supervision. Alcoholic beverages will not be served to guests under the legal age for alcohol consumption in the country being visited. Minors under age 18 traveling to certain foreign countries must be accompanied by both parents or have a notarized letter of consent signed by the parent(s) not traveling. Trafalgar is not responsible for any losses if you fail to have appropriate documentation. If the other parent is deceased or the child has only one legal parent, a notarized statement must be obtained as proof. Trafalgar seeks to provide a safe, enjoyable and memorable travel experience for all guests. Trafalgar welcomes guests with special needs or disabilities. Please note the following:

- Guests must advise Trafalgar, at time of booking, of any physical, medical or other special needs that require accommodating. Trafalgar will make reasonable modifications to its policies, practices and procedures when necessary, unless doing so will fundamentally alter the nature of the services provided.
- Guests must ensure they are medically and physically able to travel.
- Trafalgar may impose safety requirements. Trafalgar may exclude an individual from participating in a guided vacation or an activity if the individual's participation poses a threat to the health or safety of others. This decision, made solely by Trafalgar, to exclude an individual will be based on an individualized assessment based on reasonable judgment that relies on current medical evidence or on the best available objective evidence to determine the nature, duration and severity of the risk, the probability that potential injury will occur and whether reasonable modifications of policies, practices or procedures will mitigate the risk. No refunds will be given if the decision is made to exclude a guest.
- Trafalgar does not provide personal devices (such as wheelchairs, hearing aids or prescription eye glasses) or services of a personal nature (such as eating, toileting or dressing). A traveler who requires services of a personal nature (eating, toileting or dressing, as examples) should strongly consider bringing a companion to provide such assistance and must understand that other travelers, Travel Directors and Trafalgar Staff will not be available for such purposes.
- Regrettably, motorized scooters are not allowed on guided vacations.
- Trafalgar does not employ medical personnel. Any necessary medical attention must be sought at a local facility, if available, at the guest's expense. Trafalgar is not responsible or liable for losses or costs incurred due to unavailability of medical services, or medical services obtained while on vacation, or for the quality of the care or services received. Medical care in other countries is not always comparable to care that you may receive in your local area. You are encouraged to purchase medical insurance that will cover you while on vacation. Your regular health insurance benefits may not apply abroad.
- In purchasing your vacation, you attest that you are physically fit for it. If you have concerns please request additional details about your journey from your Travel Agent or Trafalgar.

- Some guided vacations include rough terrain, extensive walking over cobblestone streets, uneven pavement, steps and/or locations which may not be easily accessible or accessible by wheelchair. During the guided vacation, Trafalgar may make arrangements with carriers, hotels and other independent suppliers to provide travel services. These parties are independent entities which Trafalgar does not control. Trafalgar cannot guarantee disability access or accommodations for guests traveling on international guided vacations.

Many Optional Experiences are operated by independent third party suppliers, not Trafalgar. These are not part of the vacation package provided by us. Your contract will be with the operator of the experience. We are not responsible for providing the experience, or anything that happens during the experience. Some experiences involve outdoor activities and/or can be physically demanding. You must make your own decisions about experiences and participate only in activities that suit your physical ability; we suggest that you speak with your medical provider if you have questions about your abilities. We recommend you check whether any insurance you have also includes your participation in adventure activities you may undertake.

Trafalgar may, in its sole discretion, decline booking any guest or remove any guest who cannot comply or refuses to comply with Trafalgar's terms and conditions. If this occurs, you are responsible for the cost of travel back to your hometown and Trafalgar shall not be liable for your losses and no refund shall be provided.

Behavior We are here to provide the best services possible but in doing so we will not tolerate abusive or aggressive behavior from our guests. We will refuse to deal with and may terminate the vacation of guests who assault our Company Representatives or who are abusive or aggressive.

When you make a booking, you accept responsibility for the proper conduct of all members of your party during your stay. We reserve the right at any time to terminate the travel arrangements and/or cease to deal with any party member(s) whose behavior, in the reasonable opinion of us or our suppliers, may cause danger, upset, disruption or distress to anyone else or damage to property. Full cancellation charges will apply and no refund will be made. We shall have no obligation to pay compensation or meet any costs or expenses (including but not limited to alternative accommodations and return transportation arrangements) guest may incur as a result of the travel arrangements being terminated.

If you damage the accommodations in which you are staying or any property, you must reimburse the accommodations provider or property owner concerned for the cost of the damage before the end of your stay if the cost has been established by then or as soon as it has been established if later. You must indemnify us for the full amount of any claim (also including legal costs) made against us. Criminal proceedings may be instigated. Trafalgar is not responsible for any costs incurred concerning a guest removed from a guided vacation or aircraft, ship or train. Guests agree not to hold Trafalgar or any of its related entities liable for any actions taken under these terms and conditions.

Young Traveler Discount The Young Traveler must be aged 16 or under on the departure date to be eligible for the discount, and must be accompanied by an adult, sharing "double" (triple) room. The Young Traveler must be the specified age at the start of travel to be eligible for the discount. Only one Young Traveler discount per room is permitted. This discount cannot be combined with our Travel With Family or Friends Discount, Triple Room discount or Frequent Traveler Discount. Please see "Your Savings" for details.

Itinerary Variations Trafalgar strives to improve guided vacation itineraries, services and features. If improvements can be made, or if circumstances beyond our control make changes necessary, we reserve the right to vary itineraries and to substitute hotels. At certain peak periods multiple departures may operate, sometimes in reverse order; hotels may vary from those stated on the itinerary pages. On guided vacations which include cruises, the ship may be changed for operational reasons. Departures in early and late season are potentially operated in cool weather conditions. As a result, itinerary variations may occur. Certain activities may not be precisely as described or may not be available due to seasonality or weather conditions. We will try to notify you or your Travel Agent of changes. If your enjoyment may be diminished by such limitations, please check with us or your Travel Agent before making a reservation.

Trafalgar's "Be My Guest" experiences are unique and take place in singular locations. In the unlikely event that our local hosts are unable to welcome Trafalgar guests, Trafalgar will attempt to find an alternate experience or a highlight meal will be provided in place of the "Be My Guest" experience.

Holidays & Changes During local or national holidays, certain facilities such as museums, sightseeing trips and shopping may be limited or unavailable. In such instances itinerary changes are made by Trafalgar seeking to reduce inconvenience to guests. Such changes are deemed not to be a major change to the itinerary, and no compensation will be payable to guests. Holidays, closing days and other circumstances may necessitate a change of the day of the week for scheduled regional meals,

sightseeing or other activities. If you feel your enjoyment might be diminished by any of these circumstances please check with the respective national tourist office before selecting a specific departure date.

Extended stays If you arranged with us to remain at a destination before or after your guided vacation, your stay will be at your sole expense. Please see the "Extend Your Stay" section for a list of pre- and post-guided vacation accommodations. Breakfast and luggage handling is not included unless otherwise noted. If your extra night accommodations are not the hotel where your guided vacation begins or ends, you will be responsible for your transfer arrangements at your own expense.

For your comfort Trafalgar operates a daily seat rotation system and enforces a strict no smoking (including e-cigarettes) and no alcohol policy on board motorcoaches. Regular comfort stops are made on traveling days. Many hotels, restaurants, trains, cruises and other venues are 100% smoke free.

Guided Vacation Cancellation Trafalgar reserves the right to cancel or re-schedule any guided vacation departure in any circumstances, including in accordance with operating requirements or circumstances beyond its control. If cancellation is made by Trafalgar any time prior to departure date of the guided vacation except when you failed to pay the final balance on time, Trafalgar will either refund the amount received for the guided vacation booking, or offer a comparable vacation if available. Trafalgar will refund any difference in price if the alternative is of a lower price however, the Guest will be responsible for additional costs if the alternative is priced higher. Trafalgar is not responsible for other travel arrangements affected due to our cancellations and is not liable for any cancellation penalties incurred on other travel arrangements including air tickets.

Travel Insurance Trafalgar recommends that all guests purchase comprehensive Travel Insurance. Certain countries have a requirement for foreign visitors to have valid medical insurance on entry. Trafalgar cannot be held responsible for denied entry if a guest is unable to provide details to authorities of insurance or denial of entry for any reason.
