# DREAMS COME TRUE

guess we are all children at heart. Ever since I fell in love with tall ships as a small boy, I have been pursuing a childhood dream—to design and build my own sailing ships. By founding Star Clippers I have made my dream a reality, a reality that I am lucky enough to be able to share with you. Star Clipper and Star Flyer the four mast twin ships, were followed by Royal Clipper the largest square rig ship in the world today. Now we are eagerly awaiting the arrival of the newest addition to the fleet « Flying Clipper ». Our aim is to offer an authentic yet thoroughly modern tall ship sailing experience and judging by the high number of repeat passengers, we have attained our goal. Where else would you be able to help raise the sails, learn how to tie a in the bowsprit net suspended above the sea, and find the sheer determination needed to climb the the Crow's Nest for a breathtaking panoramic view? Come aboard one of our magnificent tall sailing experience all these activities and more...

knot, lie in the bowsprit net suspended above the sea, and find the sheer determination needed to climb the mast to the Crow's Nest for a breathtaking panoramic view? Come aboard one of our magnificent tall sailing ships to experience all these activities and more... For over 25 years we have offered creative itineraries and new ports that are enticing to both first-time guests and returning Star Clippers adventurers. While some of our routes may change each season, we have kept our most popular 7-night cruises in the Caribbean like Grenadine, Windward, Treasure and Leeward Islands as well as the 14-night ABC islands itinerary. These islands with their gentle sea breezes and relaxed way of life hold a special place in everyone's heart. We sailed to Thailand, Malaysia and Singapore for the first time since 2010, a dazzling sensory experience, and have decided to offer these itineraries again this year and continuing through 2019. Venturing into Indonesia for the first time gave us a glimpse of a rich and fascinating culture, varied landscapes, stunning beaches and ancient temples peppered throughout the journey. The Mediterranean offers destinations which never cease to enchant our guests: Greek Islands, the yachting paradise of the Adriatic and the Balearics, where you will discover picturesque beaches, quaint seaside towns and fishing villages. We return to Cres, a hidden Croatian gem among many jewels in the Adriatic, and introduce Elafonisos, part of the Greek Peloponnese Islands. Visit Plage d'Arone, a Corsican beach so calm and inviting you won't want to leave. Sailing with Star Clippers is like having your own private yacht. No lines, no crowds, just the perfect amount of personal service. The deck gleams and all around are the hallmarks of elegant and timeless vessels. The ships are adorned with striking brass work and an abundance of real teak, seldom found on modern ships. Deep hues of blue and gold celebrate its nautical décor and style. Well-designed cabins provide a comfortable private space for relaxing after an adventurous day. The bars and lounges invite you to stay and enjoy a cocktail or apéritif, while the dining room prepares the finest of international cuisine. Do everything or nothing whenever and with whomever you please. To our new Star Clipper friends, we look forward to welcoming you onboard so you too can find out why our guests just keep coming back. To our long time Star Clippers enthusiasts, we hope and believe that you will find our itineraries and ports as exciting as we do.

A convenient marina platform lowers from the stern for ocean access to watersports activities. Find your secret sanctuary on one of the hidden balconies on either side of the bow. #### SF: Star Flyer

an emerging destination, Cuba has much to offer from its old-world traditions, unbridled, fascinating history, charming people, flavorful cuisine and captivating culture, to its mesmerizing forms of artistic appreciation-music, dance, art, film and more. In Winter 2017 through January 2018, the Star Flyer embarks on journeys to Cuba ranging from 9 to 14-night itineraries. The 170-passenger sailing vessel stops in the Dominican Republic, whose interior is just as attractive as its coastline full of white, sandy beaches and teal-colored waters. Cayman Islands are another slice of paradise in the Caribbean Sea that boasts delectable local fare, note-worthy carnival celebrations and miles of beautiful beaches. Arriving in Cuba, the Star Flyer calls on ports like Cienfuegos, a waterfront city along the bay-noted

as "the Pearl of the South". Off-the-beaten path Cayo Rico, gives new meaning to serenity where you feel like you're the only one on this stretch of key along with charismatic iguanas. Havana's quaint city charm is seen in many of its neighborhoods filled with cobble-stoned streets alongside cathedrals, mansions, museums and other colorful buildings. Diving enthusiasts can enjoy Maria La Gorda's crystal-clear and warm waters. Set sail on Star Flyer—your adventure to Cuba begins.

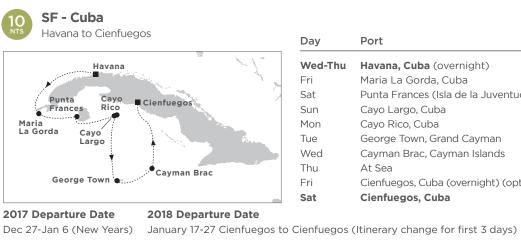

CUBA TERMS: Travel to Cuba by U.S. citizens, and all persons subject to U.S. jurisdiction, is still prohibited except to those going for visits to close relatives, academic and educational programs, professional research, journalistic or religious activities, and participation in public performances or sports competitions. n the name of romance and adventure, today, a crossing still remains one of travel's most iconic experiences. Commune with nothing but the ocean to find your inner bliss as you feel the gentle wind on your face. Seek out a quiet sanctuary on deck where you can pass your time easily sailing onboard a Star Clippers vessel. Some noteworthy mentions as the Star Clippers' fleet positions the sailing ships to their beloved homeports. The largest full-rigged sailing ship, Royal Clipper travels in Spring 2018 from Barbados to Lisbon on a 16-night voyage. Then, she sails a reverse itinerary to homeport in the Caribbean towards the Fall of 2018. The Star Flyer sets sail from St. Maarten to Lisbon in Spring 2018, on a 20-night voyage and sails back to her home in the Caribbean from Las Palmas, on an 15-night voyage. With these itineraries in mind, you'll experience the uninhibited thrill of traversing a

boundless ocean under sail, without any skills or effort on your part. Imagine long lazy days at sea chasing the horizon, relaxing under a blanket of stars and taking in the ocean's salty fragrance that pleasantly lingers in the air. Relish in the time-out-ofmind sensation of watching the water slip under the bow, or gaze at an infinite sea, feel the steadying power of the sails as they capture the energy of the wind and thrust your ship through the expanse of the ocean. Make this your year for the ultimate in sailing- a crossing aboard Star Clippers.

SC: Star Clipper

tar Clippers returns to Indonesia in 2018. Aptly named, the 'Emerald of the Equator', this collection of islands in Indonesia has something for everyone—diverse landscape and culture, pulsating cities, breathtaking beaches and stunning ancient temples. Indonesia leaves you inspired and enthralled at every turn. Star Clipper starts and ends the season with 14-night sailings from Singapore to Bali and in reverse. Throughout May and October we offer various 7, 10 and 11-night roundtrip voyages from Bali covering the East and West coast Indonesian gems. Once you board Star Clipper and sail to Jakarta on the island of Java, you will notice a collision of cultures, hear just a few of Indonesia's 300 dialects spoken and sniff the air full of fragrant food and spices while a vibrant city buzzes about its daily life. Moving on, the ship sails into various ports on Lombok Island, virtually spiriting you away to visually dream-like beaches where you find nature at its best, breathtaking views, and refreshing waterfalls. Navigating to Komodo Island, you'll get a chance to observe the Komodo Dragon, world's largest lizards in their natural habitat—grassy hills, thorn-like vegetation, quiet sandy beaches and crystal-clear blue waters. These are just a few enticing stops along the way, so sail onboard Star Clipper and experience more with us!

RC - Corsica, Sardinia & Amalfi Coast Cannes to Rome

RC: Royal Clipper • SF: Star Flyer

ust the idea of 'Grand Voyages' invokes images of days gone by when sailing oceans and seas, exploring a plethora of countries, delightful exotic itineraries and waking up in different ports of call each morning was an adventure all in its own right. That still continues on Star Clippers! In Spring, Summer and into Fall of 2018, Royal Clipper and Star Flyer, navigate the waters in the Mediterranean on splendid 12 to 17-night extended itineraries with no more than 3 days at sea in any one voyage. It means you will have more time to walk among ancient ruins, appreciate landscapes and panoramic views from atop hills and mountains, revel in epicurean local wines and gastronomy, and immerse yourself in cultures-all in the name of curiosity and leisurely discovery while onboard enjoying the life of a true sailor. It's a testament to the awareness of these two dedicated ships that sail to an impressive collection of ports, be it the tiny islets of the Greek Isles, the stunning Balearic Islands off Eastern Spain, guixotic tiny port towns along the Italian Riviera or the stylish mix of French and Italian influence in the geographically diversified coastal villages of Corsica. Aside from your excursions full of fascinating encounters, onboard experiences suitably enhance your time with your fellow shipmates, staff and crew. Thoughtfully planned, stimulatingly varied, and uniquely Star Clippers, these are indeed trips of a lifetime. You'll be thrilled to embark on these journeys of splendid magnitude, combining back-to-back itineraries to form one epic sojourn of adventure to another.
